

## Konnex Driver for PXC Modular

These installation instructions cover the connection of the Konnex Driver to the Konnex system only. For hardware installation of the PXC Modular, see the *PXC Modular Series Installation Instructions* (553-638).

### Product Description

The Konnex Driver enables communication between the APOGEE® Automation System and the Konnex system.

**NOTE:**

The ALN and/or FLN supports the Konnex protocol once the controller is upgraded to an Integration driver.
