

Declaration of conformity

The product described complies with the relevant regulations. Compliance with the provisions of the regulation is verified by observing the standards specified. The listed manufacturer is solely responsible for this declaration of confirmation.

This declaration certifies conformity with the aforementioned regulations but does not guarantee quality or service life. The safety information in the product documentation provided must be observed. You can obtain the latest version of the product documentation, as well as the declarations of conformity, by contacting the Customer Support Center on +49 89 9221-8000 or by visiting <https://siemens.com/bt/download>.
